TRIP *Spotlight*

Niagara Falls & Toronto

June 6-10, 2021 

On this four night, five day tour you will witness the awe-inspiring scenery of Niagara Falls, the beautiful attractions in Toronto, and the quaintness of Niagara-on-the Lake.

After our flight to Buffalo, NY we will transfer to our hotel in Niagara Falls, Ontario where will stay for the next four nights.

You will get up close and personal to one of the world's most stunning natural wonders as we tour Niagara Falls on the Canadian side. Sites include Horseshoe Falls, the Great Whirlpools, Niagara Parks Floral Clock, Upper Canadian Rapids, and Queen Victoria Park. You will enjoy a thrilling boat trip to experience the force of this phenomenon on the Hornblower Cruise, as it pours millions of gallons of water on the rocks 289 feet below. The cruise gives a truly close-up view of the falls, flying spray, bubbling surf and its thunderous roar from the safety of a boat. You will visit and dine in the Skylon Tower, Niagara's most famous landmark, where on a clear day you can see close to 8,000 square miles of Canada and the United States, including the skylines of Toronto and Buffalo.

In Toronto you will explore the CN Tower, Parliament Buildings, High Park (the city's largest), the clamshell blocks of New City Hall, the enormous downtown banking district, the ultra-modern Sky Dome Stadium and the St. Lawrence Market. You will step back in time as we enter a world of imperial grace and splendor at Toronto's majestic landmark castle, Casa Loma (Spanish for "Castle on the Hill"). Canada's foremost castle is complete with decorated suites, secret passages, an 800-foot tunnel, towers, stables, and beautiful 5-acre estate gardens.

In Niagara-on-the Lake, the prettiest town in Canada, you can stroll through the Old Town, explore the streets and browse the shops on Queen Street.

Join us as we tour a diverse range of attractions within Canada – truly a memory of a lifetime!

Change and Challenge

This has been a historic year of change and challenge! For the most part everyone has followed the COVID safety protocols by staying at home more, washing our hands, using hand sanitizers, wearing face masks, and limiting our social gatherings. So how has this affected The Advantage Club?

To recap 2020, we experienced Mardi Gras in Lafayette, Louisiana just before the pandemic hit. After the coronavirus surfaced, we examined each trip destination and made decisions centered on the concern of your health and well-being. In June the ladies enjoyed A Day Fit for a Queen, in August we experienced the Thrills and Excitement in Branson on our annual grandparents' trip, in September we explored Missouri on our Mystery Trip to the George O. White State Forest Nursery in Licking, and the Montauk State Park and Bonebrake Center in Salem. We enjoyed the awe-inspiring restored landmarks in French Lick/West Baden Indiana and the Monastery Immaculate Conception in Ferdinand, Indiana. Yes...we offered limited travel in 2020 and took precautions while traveling. To insure no one boarded the motor coach with a fever, the temperature of travelers was taken before they boarded, travelers were required to wear a facial mask while getting on and off the motor coach and while in venues, and we allowed distance between traveling units on the motor coach.

Although we do not know the status of the pandemic in 2021, we are looking ahead and planning for travel! So...what is the Advantage Club doing in 2021? We are offering eleven trips for you to choose from! Our first trip in 2021 takes you to sunny Florida for Cardinals Spring Training in Jupiter. In June you can witness the awe-inspiring scenery of Niagara Falls, the beautiful attractions in Toronto, and the quaintness of Niagara-on-the Lake on our five-day, four-night Niagara Falls and Toronto tour. If you prefer a motor coach trip, join us and experience Colorful Colorado on this seven-day, six-night trip. In early October we have a fabulous trip to the Canyonlands of Southern Utah. We fly to Salt Lake City, and over the next six days visit Dead Horse Point State Park, Canyonlands National Park, Arches National Park and Zion National Park...just to name a few of the parks. Our holiday trip is the rescheduled 2020 trip to Nashville, Asheville and Louisville. Day trips include two trips that were canceled in 2020, Best of Missouri Life Market Fair at Powell Gardens and Always...Patsy Cline at Stages Theatre. The 2021 Grandparents' trip takes you to the most unique indoor attraction in St. Louis, the St. Louis Aquarium in St. Louis Union Station. Other components of the entertainment complex at St. Louis Union Station include the St. Louis Wheel, a carousel, mini golf, the Mirror Maze and Ropes Course. On the Ladies Day Out we are visiting art galleries, specialty food stores, and wineries in Washington, MO. In August we are headed to Sight and Sound Theatre in Branson for the original stage production of Jesus, and in September we travel to an unknown destination on our always popular Mystery Trip.

The Bingo Parties in Linn and Owensville, which are normally scheduled in January, have been canceled and our next scheduled

Lunch and Learn is February 3, 2021. Closer to the date of the Lunch and Learn, you will receive a post card with the topic and sign up info.

As your travel club director, we understand that caution is key while traveling and socializing during the COVID-19 crisis. Know that we will continue to be vigilant about your safety when planning trips and fun days. We are here for you when you're ready to travel!

Chairman of the Board

BC/AD Redefined

I was thinking the other day that when people speak in the future of the 21st Century, they may redefine BC to mean "Before Covid" and AD to mean "After Disease". That may be especially relevant for organizations like the Advantage Club, whose very essence has been temporarily halted by the inability to safely gather together during this pandemic.

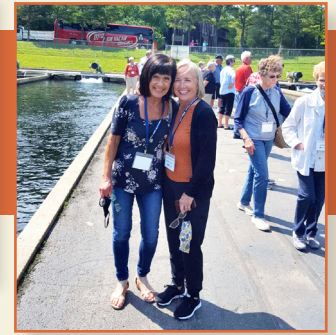

The good news is that 2020 is almost behind us and 2021 shows great promise. At least two pharmaceutical companies will be releasing vaccines shortly. We all pray that they prove as effective as the scientists believe them to be. If so, then the next critical timeline will be about how long it will take to produce enough doses to cover those who choose to be vaccinated. Barring unforeseen events, that should allow us all to begin the return to normal. That truly will be a cause for celebration.

I look forward to again being able to welcome you to Lunch & Learns, and I know Mary Ann is eagerly looking forward to traveling with you as much as possible. In the meantime, please know that we at Legends Bank are working hard to work with our customers who have been adversely affected by the pandemic. We are most thankful for those of you who have supported us. We have had an amazing 11.75% increase in assets since all this madness started about March 1 (roughly \$48 million), as people have trusted us with more and more of their deposits. Please know that we take very seriously our responsibility to safeguard your funds in these uncertain times. We are proud of our 5 Star Rating from Bauer Financial (their highest) and remain committed to being a locally owned and locally focused community bank.

My wishes to you for a Merry (and safe) Christmas and a much improved 2021!

Due to the circumstances resulting from the COVID-19 pandemic and the national emergency declaration, the Department of Homeland Security is extending the REAL ID enforcement deadline by a year. Beginning October 1, 2021, every air traveler 18 years of age and older will need a REAL ID-compliant driver's license, state-issued enhanced driver's license, or another acceptable form of ID to fly within the United States. US passports are Real ID-approved. This means that if you were to fly domestically and do not have a new ID, you can use your passport as a type of identification.
