Advantage Club Director

On the Road Again!

Yeah!!! It was announced in early April by the CDC that “People who are fully vaccinated with an FDA-authorized vaccine can travel safely within the United States.” This gives us reason to celebrate and get back On the Road Again!

We are offering a variety of trips to choose from this year! Our featured trip, Colorful Colorado in August, gives you the opportunity to discover or re-discover Colorado! In October you can witness the power of Mother Nature during the Canyonlands of Southern Utah tour and visit the National Parks of Canyonlands, Arches, Capitol Reef, Bryce, and Zion! You can still sign up for the Christmas in Nashville, Asheville, and Louisville tour which was rescheduled from 2020, however seats are limited.

In this newsletter we have included the extended trips for 2022. In February 2022 you can join us on a remarkable adventure in Yellowstone! We will head to Jupiter, Florida and enjoy the beautiful weather and see two exciting Cardinals games in March. In June, you can enjoy the picturesque farmland, plentiful freshwater, and diverse destinations Wisconsin has to offer on the Wisconsin Wonders escape. In late June you can join us for a remarkable journey through the stunning landscapes, charming towns, and beautiful lakes of the Canadian Rockies (which was rescheduled from 2020). In October 2022 you can experience the excitement of Texas from both river and rail while enjoying the history of San Antonio, the beauty of the Piney Woods and rustic cowboy culture of Fort Worth.

Check out all trips in the newsletter. We have plenty of day trips too! The only Advantage Club event we are changing up is the Birthday Celebrations. Instead of having monthly Birthday Celebrations, we will celebrate birthdays two times a year in the Legends Bank Park. When your birthday month

is being celebrated you will receive a post card giving you the date.

We are optimistic about a return to normal and excited to see all our Advantage Club friends and get On the Road Again! Yeah!!!

John A. Klebba
Chairman of the Board

Safe & Sound

As I write this column, the leading news stories revolve around the fact that it is exactly one year since the U.S. was essentially shuttered by the outbreak of COVID. Among many uncertainties that then arose was how long the pandemic would upend our lives.

Happily, there is reason to be optimistic. A number of factors have resulted in Missouri’s infection rates dropping precipitously. Three different vaccines have been approved, with millions of Americans being immunized every week. Businesses are returning to full capacity and people are feeling more comfortable in physically attending church services and other gatherings.

Please know that despite the economic upheavals of the past year, Legends Bank remains safe and sound. We recently received notice that we retained our 5 Star Rating from BauerFinancial, which is conferred only upon the nation’s strongest banks. We experienced strong growth in 2020, with both total assets and total deposits up over 15% (total asset growth of almost \$60 million). We very much appreciate the trust our customers have in us as we celebrated our 108th birthday on March 17.

I join Mary Ann and the entire Legends Bank staff in eager anticipation of the return of our Advantage Club trips and luncheons. We have missed seeing and visiting with you. Until then, be careful, stay healthy and keep each of us in your prayers. May the wait to be together again be short and our reunion joyful.

October 6-12, 2021 - 6 Days / 7 Nights   

The rugged majesty of the National Parks of southern Utah is indescribable. The enormous, colorful and unusual rock formations give witness to the glorious side of the power of Mother Nature.

Our trip starts with a flight to **Salt Lake City** where we'll check into the beautiful **Little America Hotel** for one night. The following day you will see the beautiful State Capitol Building, Temple Square and many other highlights on our panoramic tour of Salt Lake City.

We'll take a half-day **float trip** along the **Colorado River** amidst red sandstone monuments and mesas and through deep canyons that showcase 320 million years of geologic history. And we'll experience "Canyonlands by Night" as a jet boat takes us on a cruise through the illuminated cliffs along the Colorado River. Spectacular Yellowstone in Winter

Jan 31 - Feb 6, 2022 

Join us on a remarkable adventure in Yellowstone! The name conjures visions of natural wonders -steaming geysers, fierce grizzly bears, cascading waterfalls, majestic elk, wooly bison and rushing rivers -wilderness so awesome that no one believed mountain man Jim Bridger when he described what he saw there. Winter may be the most spectacular time in Yellowstone as bison and elk congregate and move slowly in the crisp air searching for bare grass in the park's geothermal areas. Bald eagles, Canada geese, trumpeter swans and ducks can be viewed along the rivers. In the quietness of winter, hot springs bubble and boil and snow-laden pines make this, the first and largest of our nation's parks, a sight to behold!

We fly to Bozeman, Montana and then head southward to West Yellowstone, Montana, just outside the park, where we will spend two nights. Specially outfitted snow coaches take us into Yellowstone National Park for a day full of adventure. During our time in West Yellowstone we will also visit The Grizzly & Wolf Discovery Center and see National Geographic's Yellowstone at the Imax Theater. Next, we are on to Jackson Hole, Wyoming for a two-night stay. A jaunt into Grand Teton National Park to see the majestic, jagged, snow-covered peaks followed by a visit to the National Wildlife Art Museum and then a sleigh-wagon ride through the National Elk Refuge rounds out our first day in Jackson Hole. Finally, we make our way to Salt Lake City, Utah for one night. On Sunday morning we will take our seats for a live broadcast of the world-famous Mormon Tabernacle Choir and then explore more of Salt Lake City on a guided tour. When we finally make our way to the airport for our return trip home, we will be taking with us once-in-a-lifetime memories of Spectacular Yellowstone in Winter!
