Maritime Magic

August 12-21, 2023

Call for Detailed
Itinerary!

By definition, Maritime means “connected to the sea,” and this is very true of the three provinces you will explore – **New Brunswick, Nova Scotia, and Prince Edward Island.**

We will fly to Halifax, Nova Scotia, where we'll spend time exploring one of the most unique and captivating cities in North America. In Nova Scotia we will visit Peggy's Cove where the graceful lighthouse sits high upon the smooth wave-worn granite of the coast.

In **New Brunswick** we will travel along the Evangeline Trail, made famous by Longfellow's poem of the same name. In Saint John you will see the incredible Reversing Rapids and then we're on our way to one of the greatest highlights of the entire tour - The Hopewell Rocks, in the Bay of Fundy with the highest tides in the world. We will spend the day along the Acadian Coast where the French culture is alive and well. In New Brunswick you will enjoy a 2 ½ hour lobster lunch educational cruise.

Going from New Brunswick to Prince Edward Island (PEI) we cross the incredible Confederation Bridge, which spans 9 miles and connects **Prince Edward Island (PEI)** to New Brunswick. Our tour of PEI will include the quaint village of Summerside and the wonderful small capital of Charlottetown. Our time on Prince Edward Island includes a visit to “Anne's Land” Prince Edward Island Preserve Company. Millions of readers from around the world have come to know and love Anne of Green Gables, and Prince Edward Island is where devotees come to visit the Anne sites that pay tribute to their favorite red-haired heroine.

110 Years of Banking

On March 17, Legends Bank will celebrate its 110th anniversary. About that same time the bank will open its newly constructed second branch in Rolla. Thus what is old can also, at least in part, be new.

Throughout our history Legends Bank has looked for ways to better serve our customers. Sometimes its by expanding the branch network, other times by upgrading technology, adding products or improving procedures. But first and foremost, we look for the best employees we can find - those who are committed to their communities and are dedicated to great customer service. They are the primary reason that our customers are drawn to do business with Legends Bank.

And so as we reflect on the year just passed, we are thankful for our blessings. In spite of the headwinds brought about by levels of inflation not seen in four decades, and the Federal Reserve Bank's efforts to bring it under control, we experienced considerable growth in both deposits and loans in 2022. We were able to do so while maintaining our 5 Star rating (Superior) from BauerFinancial, meaning that we remained among the safest financial institutions in the country. We thank each of you for helping make those things possible and wish you a happy, healthy and prosperous 2023.

CLUES:

Perryville *A town of Patriotism, German Heritage, Agriculture and Faith*

April 19-20, 2023

Join us as we explore Perryville, a historically rich town situated on the banks of the Mississippi River. We will tour Missouri's National Veterans Memorial, which has a full-size replica of the Vietnam Memorial. Besides the famous wall, there are flag memorials for all branches of service, a visitor center, pavilion, and a museum. We will visit the National Shrine of Our Lady of the Miraculous Medal, also called Saint Mary's of the Barrens, a historic Roman Catholic Church, grotto, and Rosary Walk located on 55 acres in Perryville. This peaceful place was founded in 1818 with the construction of a small log church and a seminary. At the American Tractor Museum, you will tour an amazing collection as you walk through the evolution of the machine that plowed, planted, and harvested the American dream for centuries. See one of the largest and most unique collections of its kind featuring rare manufacturers such as Rumely, Waterloo Boy, Illinois, Indiana, Huber, Plymouth, Avery, Rock Island, Greyhound, Centaur and many more! You will visit The Saxon Lutheran Memorial which commemorates the German Lutheran migration of 1838 - 1839 to the Perry County area. In 1838 approximately 700 German-Lutherans left their homes, farms, businesses, and all they knew behind and settled in St. Louis and then Perry County. The Memorial features several log cabins and artifacts from that era. Enjoy this two-day getaway as we explore Perryville and its surrounding areas.

Mackinac Island is known for its pristine beauty, cool, low-humidity summers, automobile-free streets, horse-drawn carriages, bicycles and fudge stores!
