Where: Osage County Community Center – Linn

9:30 Coffee and Cookies
10:00 Bingo
11:00 Protect Yourself From Scammers
12:00 Lunch
1:00 Door Prizes

Our guest speaker at the February Lunch and Learn is Dale Wieberg, who has retired after spending over 40 years in information technology serving government and health care customers. His responsibilities included working with teams to prevent, and if necessary, investigate both corporate and individual security events. As a senior citizen with other aging family members, he has kept his interest in the area of criminal scams, especially those targeting senior citizens such as himself and his family members.

Join us at our February 7 Lunch and Learn as we learn what scammers are looking for and how we can protect ourselves against common scams as well as ways to protect our identity and financial assets.
